Dear Miss Corry:

Since you are Secretary of the Southeastern Chapter of AALL, you are also a member of the AALL Committee on Chapters, of which I am Chairman. Miss Hargrove, our President, may not have had time to write you as yet about this, but I wanted to contact you at this time about the Committee functions.

The main function of the Committee, to my knowledge, is to keep the Association informed about Chapter activities and to bring together in one place a record of the Chapters' activities for the year.

If your Chapter publishes any kind of a newsletter or bulletin, please send me a copy of each issue. Otherwise, will you let me know occasionally about what your Chapter has been doing. In this way we will have a central depot for collecting information about the Chapters.

The other routine activities of the Committee will depend, no doubt, on what the program of the AALL is for the year--where it involves the Chapters. If you have any suggestions about other functions the Committee should perform, I shall be very glad to receive them.

I am enclosing a copy of the first publication for this fall of the Chicago Chapter.

Yours very truly,

WILLIAM D. MURPHY,
Librarian
